## BUILDING CODE

### 2010 Edition

---

[Includes legislation adopted by the Board of Supervisors through November 5, 2010, and Administrative Bulletins approved through January 1, 2011.]

#### PUBLISHER'S NOTE

The full 2010 San Francisco Building Code consists of the 2009 International Building Code, as amended by California (2010 California Building Code), and as further amended by these San Francisco amendments, as well as the 2009 International Residential Code as amended by California (2010 California Residential code) and as further amended by these San Francisco amendments, as well as the 2010 California Green Standards Code as further amended by these San Francisco amendments.

The San Francisco Building Code amendments contained herein are designed to be used in conjunction with the 2010 California Building Code and include all residential code provisions of the 2010 California Residential Code, including more restrictive provisions carried forward into these amendments and so noted. Chapter 13C of the San Francisco amendments includes the full text of the 2010 California Green Building Standards code as modified by San Francisco and is meant as a full stand alone document.

The San Francisco Building Code amendments contained herein were adopted by the Board of Supervisors of the City and County of San Francisco on November 5, 2010, by Ordinances 271-10, 275-10, and 276-10, effective January 1, 2011.
